

## Corrigendum I

Item Name : DAQ Chassis and Module

Ref No : AE/SUJI/15/IOE23/DAQCMODOD

Corrigendum Details : Amendment in Technical Specifications

### Amendment in Technical Specifications DAQ Chassis and Module

<b>In Annexures A and B</b>					
<b>Existing</b>			<b>Revised</b>		
III. Technical Specification for “DAQ Chasis + Module”			III. Technical Specification for “DAQ Chassis + Module”		
Chasis: Quantity 2			Chassis: Quantity 2		
Pressure data acquisition module: Quantity 7			Voltage (integrated electronic piezoelectric (IEPE) signal) input module: Quantity 7		
<u>S.No</u>	Technical specifications (each chassis)	Range/ Type	<u>S.No</u>	Technical specifications (each module)	Range/ Type
TEMPERATURE DATA ACQUISITION MODULE: QUANTITY 3			Temperature input module: QUANTITY 3		
<u>S.No</u>	Technical specifications (each chassis)	Range/ Type	<u>S.No</u>	Technical specifications (each module)	Range/ Type
Voltage output module: Quantity 3			Voltage output module: Quantity 3		
<u>S.No</u>	Technical specifications (each chassis)	Range/ Type	<u>S.No</u>	Technical specifications (each module)	Range/ Type
PHOTOMULTIPLIER TUBE (PMT) DATA ACQUISITION MODULE: QUANTITY 3			Voltage input module: QUANTITY 3		
<u>S.No</u>	Technical specifications (each chassis)	Range/ Type	<u>S.No</u>	Technical specifications (each module)	Range/ Type
Note: Chassis should be compatible with pressure data acquisition module, temperature data acquisition module, voltage output module and PMT data acquisition module.			Note: Chassis should be compatible with Voltage (integrated electronic piezoelectric (IEPE) signal) input module, temperature input module, voltage output module and Voltage input module.		

<b>In Annexure C</b>					
<b>Existing</b>			<b>Revised</b>		
It. No	Description of work		It. No	Description of work	
2	Pressure data acquisition module		2	Voltage (integrated electronic piezoelectric (IEPE) signal) input module	
3	TEMPERATURE DATA ACQUISITION MODULE		3	Temperature input module	
5	PHOTOMULTIPLIER TUBE (PMT) DATA ACQUISITION MODULE		5	Voltage input module	

Note : The item description will remain unchanged in the Price BoQ excel file, Bidders are here by instructed to quote for the revised description of the work in the respective column.
