

# Corrigendum 1

Tender Ref No: AE/SUJIT/15/IOE23/2DPDPAPDIPDA

Tender Name: 2D PDPA/PDI/PDA

Reason for Corrigendum: Amendment in Technical Specification

S. N. as in the technical specifications list	Technical Specifications (Existing)	Technical Specifications (Revised)
6	Type of Laser: Diode Pulsed Solid State Laser.	Type of Laser: Diode <b>Pumped</b> Solid State Laser.
7	Laser Power: For first component of velocity greater than equal to 500mW and for second component of velocity greater than equal to 200mW	Laser Power: For first component of velocity greater than equal to <b>300mW</b> and for second component of velocity greater than equal to 200mW
