

**INDIAN INSTITUTE OF TECHNOLOGY MADRAS CHENNAI 36**  
**Notice Inviting Expression of Interest**

**Date: 14.11.2014**

**Name of work:** Providing camera based Security system in IIT Madras.

It is proposed to install camera based security system in various buildings in the IIT Madras campus. Each camera (preferably with night vision) shall be internet based (preferably IPV6) with a facility to stream video/audio to a central server on a 24 by 7 basis. Each camera should also possess an option for local recording. All the cameras must be connected to central server for display and recording purposes.

This EoI is Initially for a complete system (supply of camera, installation and commissioning along with a central server and required software) to be installed in one building. The building chosen is the Electrical Sciences Block. The vendors participating in the present EoI must inspect this building and provide a detailed plan for installation and commissioning of the camera based security system proposed by them. The vendors also should put in the security system such that the hardware (cameras and connection cables) are secured against tampering / theft.

Short listed vendors must make a technical presentation before a technical committee highlighting the salient points of their system on a date fixed by IIT Madras. Only those participating in this EoI and shortlisted by the technical committee can participate in offering the commercial bids.

Applications are invited from the firms who have executed similar works each costing not less than 15.00 lakhs in the last 5 years. For further details Please refer to IIT Madras website. <http://tenders.iitm.ac.in>.

**Financial Criteria:** The firm should have executed at least one similar work costing not less than Rs.15.0 lakhs in the last 5 years

Interested firms may apply with details of similar works executed in the last 5 years in sealed cover super scribed with the name of work as given above shall be sent to the office of the Executive Engineer(Electrical), Engineering Unit, EPABX Telephone Exchange, Near Administrative Building, IIT Madras, Chennai 36 so as to reach before 3.00pm on 8/12/2014
