No. PHY/2014/037/STORES

Dated 16.3.2015

Due date: 26.3.2015 (extended 30.3.2015 for web tender)

Dear Sir/ Madam,

Please quote for available models of Lock-in amplifiers with you.

The minimum specifications are as follows:

1. Either a “Compact Module” with its mounting kit, cables and software or a “full equipment” with standard input outputs and software

Working frequency 10Hz - 40 KHz or wide.

2. If possible, also quote for a light Chopper separately.

Please send your quotations in a closed cover. The prices quoted should include insurance and freight charges.

In case of any clarifications, please contact

Prof. Bisht at the following e-mail

Bisht@iitm.ac.in

Thanks you.

Prof. Prem B Bisht
Physics,
IIT Madras- 600036
