

## Minutes of the meeting for the opening of financial bid

**TENDER REFERENCE NO: BT/HOD/2022/006/SPL and BT/HOD/2022/006/SPL**

**Members present during the financial bid opening:** Prof. A. Gopala Krishna, Prof. Manoj, Prof. Gummadi Sathyanarayana and Prof. Kesavan

Tenders were published for **UV-visible spectrophotometer with dual monochromator and Peltier system** and **UV-visible spectrophotometer with single monochromator and Peltier system** (Ref. No: BT/HOD/2022/005/SPL dated 29.11.22 and BT/HOD/2022/006/SPL dated 30.11.22 respectively) in the IIT Madras tender portal and CPP portal. A total of 1 bid was received for each of the above tenders till the closing date (12.12.22 and 14.12.22). The committee has diligently scrutinized the technical compliance statement and the supporting documents provided by the vendor, and found that the vendor (M/s. JASCO international, Japan) was found to be technically qualified and invited for the financial bid opening held on 19/12/22 at 11.30 am.

The price quoted by the vendor for dual monochromator system (BT/HOD/2022/005/SPL) and single monochromator system (BT/HOD/2022/006/SPL) were **2,750,000¥** and **2,350,000¥** (including freight and insurance charges) respectively. A comparative for both the models is given in the table below.

MODEL	PRICE
UV-visible spectrophotometer with dual monochromator and Peltier system (including freight and insurance charges)	Special discounted price <b>2,675,000¥</b> Air freight and insurance charges <b>75,000¥</b> <b>C.I.P. CHENNAI 2,750,000¥ (INR 1721393.26 approx as on 21-12-2022)</b>
UV-visible spectrophotometer with single monochromator and Peltier system (including freight and insurance charges)	Special discounted price <b>2,275,000¥</b> Air freight and insurance charges <b>75,000¥</b> <b>C.I.P. CHENNAI 2,350,000¥ INR 1471008.78 approx as on 21-12-2022)</b>

Since there was no much difference in prices between the two models, the committee recommended to **purchase UV-visible spectrophotometer with dual monochromator and Peltier system (BT/HOD/2022/005/SPL) and not to proceed with the single monochromator model (BT/HOD/2022/006/SPL).** Hence the committee decided to close the tender No: BT/HOD/2022/006/SPL.

A negotiation meeting was held with the vendor on the same day at 12.00 noon. The committee had asked the vendor to provide an additional warranty of two years apart from the standard warranty of one year as mentioned in the tender document and also to supply a computer with 8 GB RAM. The vendor obliged to the above terms and gave a revised offer including the points mentioned above. The acceptance letter for the revised offer is attached for your kind perusal. Hence the order may be placed with JASCO international, Japan through Anatek services Pvt Ltd for the price of 2,750,000¥.
