The Senior Manager (Project Purchase)

Ref: CE/2020/029/TARU/48 CHANNEL

Date: 05.11.2020

Open Tender No: CE/2020/029/TARU/48 CHANNEL

Due Date: 26/11/2020, 5 PM

Pre-Bid meeting: - NA

Pre-qualification Bid opening meeting on 27/11/2020, 4 PM at Department of Civil Engineering, IIT-Madras.

Dear Sir/Madam,

On behalf of the Indian Institute of Technology Madras, offers are invited for the supply of **“48 Channel Masw Test Apparatus with Seismic Cross-Hole/Down-hole Test Equipment”** conforming to the specifications given in **Annexure I**.

Instructions to the Bidder

- I. **Preparation of Bids:** - The tenders should be submitted under **three bid system** (i.e.) **Pre-qualification bid, Technical bid and Financial bid**.
- II. **Delivery of the tender:** - The tender shall be sent to the address mentioned below, either by post or by courier so as to reach our office before the due date and time specified in our schedule. The offer/bid can also be dropped in the tender box on or before the due date and time specified in the schedule.

The tender box is kept in the office of the:

**The Senior Manager,
Project Purchase,
IC & SR Building, 2nd floor,
I.I.T. Madras,
Chennai - 600 036**

- III. **Opening of the tender:** - The offer/bids will be opened by a committee duly constituted for this purpose. The Pre-qualification bids will be opened first and will be examined by a technical committee which will decide the suitability of the bids as per our specifications and requirements. All bidders will be invited for opening of the Pre-qualification bids. For opening the Technical bid, only Pre-qualified bidders will be called. For opening the Financial bid, only Technically qualified bidders will be called.

- IV. Prices:** - The price should be quoted in net per unit (after breakup) and must include all packing and delivery charges to the **Department of Civil Engineering**. The offer/bid should be exclusive of taxes and duties. The percentage of tax & duties should be clearly indicated separately. Kindly note that IIT Madras is eligible for concessional GST and relevant certificate will be issued.

In case of import supply, the price should be quoted without custom duty. IIT Madras is exempted from levy of IGST on Imports and eligible for concessional custom duty (not exceeding 5%) and the price should be quoted on CIP basis (stating the Cost, Insurance, Freight separately) and indicating the mode of shipment.

- V. Agency Commission:** - Agency commission, if any, will be paid to the Indian agents in rupees after receipt of the equipment and its satisfactory installation. Agency Commission will not be paid in foreign currency under any circumstances. The details should be explicitly shown in the tender document even in the case of 'Nil' commission. The tenderer should indicate the percentage of agency commission to be paid to the Indian agent. The Foreign Principal should indicate the percentage of payment and it should be included in the basic price quoted originally (if any)..
- VI. Terms of Delivery:** - The item should be supplied to the **Department of Civil Engineering, IIT Madras** as per the Purchase Order. In case of import supply, the item should be delivered at the cost of the supplier to our Institution. The Installation/Commissioning should be completed as specified in our important conditions.
- VII. Pre-qualification Bid Opening:** The Pre-qualification bid will be opened on **27/11/2020, 4 PM at the Department of Civil Engineering, IIT-Madras**

Pre-qualification bids of those tenderers who are qualified will be opened at a later date under intimation to them.

Financial bids of those tenderers who are Technically qualified will be opened at a later date under intimation to them.

- VIII. IIT Madras** reserves the full right to accept / reject any tender at any stage without assigning any reason.

Yours sincerely,

The Senior Manager (Project Purchase)
IC&SR Building, I.I.T. Madras,
Chennai – 600 036.

SCHEDULE

Important Conditions of the tender

1. The due date for the submission of the tender is **26.11.2020, 5 PM.**

The offers / bids should be submitted **under three bid system** (i.e.) **Pre-qualification bid, Technical bid and financial bid.**

Pre-qualification bid should consist of

- 1) Should have manufactured/supplied seismographs for three years or more
- 2) Should have supplied at least 3 seismographs to Govt. institutions/accredited universities in the last three years and at least 15 seismographs to all customers in the last three years
- 3) Should have a dedicated service center in India for repair and servicing.

The Technical bid should consist of all technical details / specifications with brochure only. **The Financial bid** should indicate item-wise price for each item and it should contain all Commercial Terms and Conditions including Taxes, transportation, packing & forwarding, installation, guarantee, payment terms, pricing terms etc. The Pre-qualification bid, Technical bid and financial bid should be put in separate covers and sealed. All the sealed covers should be put in a bigger cover. The Open Tender for supply of **“48 Channel Masw Test Apparatus with Seismic Cross-Hole / Down-hole Test Equipment”** should be written on the left side of the Outer bigger cover and sealed.

2. **EMD: - The EMD (Should be in INR) in the form of Account Payee Demand Draft / Banker's Cheque for 2% of the quoted value of the item; drawn in favor of The Registrar-IIT Madras, payable at Chennai should be enclosed in the cover containing financial bid.** Any offer not accompanied with the EMD shall be rejected summarily as non-responsive.

The EMD of the unsuccessful bidders shall be returned **within 30 days** of the end of the bid validity period. The same shall be forfeited, if the tenderers withdraw their offer after the opening during the bid validity period. The Institute shall not be liable for payment of any interest on EMD. EMD is exempted for Micro and Small Enterprises (MSE) as defined in MSE Procurement Policy issued by Department of Micro, Small and Medium Enterprises (MSME) and Startups as recognised by **Department of Industrial Policy & Promotion (DIPP).**

When a foreign vendor does not have a local agent in India, he can submit a demand draft equal to 2% or wire transfer the amount to our account as detailed in the attachment (Annexure II) and enclose the proof with the financial bid.

3. **Performance Security: -** The successful bidder should submit Performance Security for an amount of 5% of the value of the contract/supply. The Performance Security may be furnished in the form of an Account Payee DD, FD Receipt from the commercial bank, Bank Guarantee from any nationalized bank in India. **The performance security should be furnished within 14 days from the delivery of the purchase order.**

Performance Security in the form of Bank Guarantee: - In case the successful bidder wishes to submit Performance Security in the form of Bank Guarantee, the Bank Guarantee should be routed through the Beneficiary Bank to the end user bank. Otherwise, the Indian Agent of the foreign vendor has to submit a Bank Guarantee from a Nationalized Bank of India.

The Bank Guarantee should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the supplier including the warranty obligations.

4. **Indian agent:** If an Indian agent is involved, the following documents must be enclosed:
Foreign principal's proforma invoice indicating the commission payable to the Indian Agent and nature of after-sales service to be rendered by the Indian Agent.
 - ✓ Copy of the agency agreement with the foreign principal and the precise relationship between them and their mutual interest in the business.
5. The offer/bids should be sent only for a machine that is available in the market and supplied to a number of customers. A list of customers in India and abroad with details must accompany the quotations. Quotations for a prototype machine will not be accepted.
6. **Original catalogue (not any photocopy) of the quoted model duly signed by the principals must accompany the quotation in the Technical bid.**
7. Compliance or Confirmation report with reference to the specifications and other terms & conditions should also be obtained from the principal.
8. **Validity:** The validity of Quotation should not be less than 90 days from the due date of tender.
9. **Delivery Schedule:** - The tenderer should indicate clearly the time required for delivery of the item (subjected to the executive committee-IITMadras approval). In case there is any deviation in the delivery schedule, **liquidated damages** clause will be enforced or penalty for the delayed supply period will be levied.
If there is delay, the penalty will be @1% per week of delay subject to a max of 10% of the value of purchase order and if the delay is more than accepted time frame by IITM, the PO would be cancelled and liquidated damages will be enforced.
10. **Risk Purchase Clause:** - In the event of failure of supply of the item/equipment within the stipulated delivery schedule, the purchaser has all the right to purchase the item/equipment from other sources on the total risk of the supplier under risk purchase clause.
11. **Payment:** -
 - (i) No Advance payment will be made for Indigenous purchase. However, 90% Payment against Delivery and 10% after installation are agreed to wherever the installation is involved. In case of import supplies the payment will be made only through 100% Letter of Credit i.e. (90% payment will be released against shipping documents and 10% after successful installation wherever the installation is being done).
 - (ii) **Advance Payment:** No advance payment is generally admissible. In case of specific percentage of advance payment is required, the Vendor has to submit a Bank Guarantee from a Nationalized Bank of India equal to the amount of advance payment.
12. **On-site Installation:** - The equipment or machinery has to be installed or commissioned by the successful bidder within number of days (as prescribed by PI) from the date of receipt of the item at site of IIT Madras
13. **Warranty/Guarantee:** - The offer should clearly specify the warranty or guarantee period for the machinery/equipment. Any extended warranty offered for the same has to be mentioned separately (For more details please refer our Technical Specifications).
14. **Late offer:** - The offers received after the due date and time will not be considered. The Institute shall not be responsible for the late receipt of Tender on account of Postal, Courier or any other delay.

15. **Acceptance and Rejection:** - I.I.T. Madras has the right to accept the whole or any part of the Tender or portion of the quantity offered or reject it in full without assigning any reason.

16. **Do not quote the optional items or additional items unless otherwise mentioned in the Tender documents / Specifications.**

17. **Disputes and Jurisdiction:**

Settlement of Disputes: Any dispute, controversy or claim arising out of or in connection with this PO including any question regarding its existence, validity, breach or termination, shall in the first instance be attempted to be resolved amicably by both the Parties. If attempts for such amicable resolution fails or no decision is reached within 30 days whichever is earlier, then such disputes shall be settled by arbitration in accordance with the Arbitration and Conciliation Act, 1996. Unless the Parties agree on a sole arbitrator, within 30 days from the receipt of a written request by one Party from the other Party to so agree, the arbitral panel shall comprise of three arbitrators. In that event, the supplier will nominate one arbitrator and the Project Coordinator of IITM shall nominate one arbitrator. The Dean IC&SR will nominate the Presiding Arbitrator of the arbitral tribunal. The arbitration proceeding shall be carried out in English language. The cost of arbitration and fees of the arbitrator(s) shall be shared equally by the Parties. The seat of arbitration shall be at IC&SR IIT Madras, Chennai.

- a. **The Applicable Law:** This Purchase Order shall be construed, Interpreted and governed by the Laws of India, Court at Chennai shall have exclusive jurisdiction subject to the arbitration clause.
- b. Any legal disputes arising out of any breach of contract pertaining to this tender shall be settled in the court of competent jurisdiction located within the city of Chennai in Tamil Nadu.

18. All Amendments, time extension, clarifications etc., will be uploaded on the website only and will not be published in newspapers. Bidders should regularly visit the above website to keep themselves updated. No extension in the bid due date/ time shall be considered on account of delay in receipt of any document by mail.

Acknowledgement: - It is hereby acknowledged that the tenderer has gone through all the conditions mentioned above and agrees to abide by them.

ALONG WITH SEAL OF THE
COMPANY WITH DATE**

Technical Specifications For 48 Channel Masw Test Apparatus With Seismic Cross-Hole/Downhole Test Equipment

Requirement: Complete set of 48 channel MASW test apparatus, including 2x24 channel seismograph, 52 nos 4.5 Hz vertical geophones, 52 nos 4.5 Hz horizontal geophones, one starter/trigger geophone, one hammer switch, one borehole seismic energizer, one 3D borehole geophone assembly and all the associated cables and accessories. The equipment should be capable of integration of the seismograph with a compatible seismic cross-hole and downhole test equipment.

The following are the detailed technical specifications.

Sl No.	Specification	Requirement
1.	Each 24 channel Seismograph	2 Nos.
i.	Maximum Record length for active/passive acquisition using all 24 channel and 8000 SPS sampling rate (for each channel)	20,000,000,000 (20 Billion) samples or higher
ii	Maximum recording duration for active/passive acquisition using all 24 channel and 8000 SPS sampling rate (for each channel)	30 days or longer
iii	Minimum sample interval	1/64 ms (64000 SPS) or lower
iv	Inbuilt memory	Minimum 12 GB or higher
v	Using only inbuilt memory, maximum record length for active/passive acquisition using all 24 channel and 8000 SPS sampling rate (for each channel).	5,000,000,000 (5 Billion) samples or higher
vi	Using only inbuilt memory, maximum recording duration for active/passive acquisition using all 24 channel and 125 SPS sampling rate (for each channel).	20 days or longer @ 125 SPS/Channel using all 24 channel
vii	Minimum measured/instantaneous dynamic range	117 dB @ 500 SPS
viii	Minimum system dynamic range	144 dB @ 500 SPS
ix	Maximum THD (Total harmonic distortion)	0.0001% @ 500 SPS
x	Data format	SEG-Y, SEG-2
xi	Working temperature range	- 30⁰C to +80⁰C or better

xii	Working humidity range	0-100%
xiii	Maximum weight of entire 24 Channel seismograph	3 kg
xiv	Compatibility-1	Should be compatible with geophones with Mueller clip (wide and narrow clip) ending.
xv	Compatibility-2	Should be compatible with seismic cross-hole and down-hole test equipment
2.	4.5 Hz vertical geophones	52 Nos.
i	Connector	Mueller clip (wide and narrow clip)
ii	Tilt tolerance	±5° or better
iii	Operating temperature range	-40⁰ C to +100⁰ C
iv	Water-resistant	Yes
3.	4.5 Hz horizontal geophones	52 Nos.
i	Connector	Mueller clip (wide and narrow clip)
ii	Operating temperature range	-40⁰ C to +100⁰ C
iii	Water-resistant	Yes
4	Starter/Trigger geophones	One
i	Natural frequency	10 Hz
ii	Tilt tolerance	±5° or better
iii	Operating temperature range	-40⁰ C to +100⁰ C
iv	Water-resistant	Yes
5	Hammer switch with 5 m cable	One
6	Trigger cable extension	One
i	Connector	It should connect and trigger both the seismograph at the same time

ii	Compatibility	Compatible with hammer switch and starter/trigger geophone
iii	Minimum length	200 m
iv	Mounted on a lightweight winch	Yes
7	All Connecting cables/ connectors for connecting 48 geophones and two seismographs	
i	Maximum interval between two geophones for all the geophones	5m or higher
ii	Maximum lead-in/out cable length from the geophone to connect the seismograph	5m or higher
iii	Geophone takeout	Mueller type (wide and narrow clip)
iv	All compatible connector to connect the seismograph and geophones	Yes
v	Mounted on a lightweight winch	Yes
8	Borehole Seismic Energizer	One
i	The hammer should generate	P and S waves
ii	Clamping system	Pneumatic
iii	Cable length	100 m
iv	Probe material	Steel/Galvanized iron
v	Mounted on a lightweight winch	Yes
9	3D Borehole geophone assembly	one
i	Wall-lock Case Assembly	Yes
ii	No of geophone	3 (1 Vertical & 2 Horizontal)
iii	Natural frequency of geophone	10 Hz
iv	Cable length	120 m
v	Tilt tolerance	±10° or better
vi	Open circuit sensitivity of geophone	Minimum 80 V/m/s

vii	Operating temperature range	-40⁰ C to +100⁰ C
viii	Water-resistant	Yes
10	Software package with the following features	
i	Record the data using both hammer/geophone trigger and manual trigger	Yes
ii	It should be able to record the data by manual command,without any trigger sensor in the hammer or geophone.	Yes
iii	Should be able to convert the data into SEG-Y (.sgy), SEG-2 (.sg2) and into a comma-separated values (.csv) format	Yes
11	Minimum warranty	one year
12.	Optional quote	Additional cost for 1 more year and 2 more years of warranty
13	Optional quote	48 Nos. 1 Hz verticle geophone
14	Optional quote	Additional 3D Borehole geophone assembly with 120m cable
