Superintending Engineer

INDIAN INSTITUTE OF TECHNOLOGY MADRAS ENGINEERING UNIT CHENNAI – 600 036

PQ NO: 63 / 2012 – 13 / Civil

NOTICE INVITING PRE-QUALIFICTION APPLICATION

SUPERINTENDING ENGINEER Indian Institute of Technology Madras, Chennai - 600 036 invites sealed PQ applications up to 3:00PM on 06.11.2012 for the following work;

| Name of work | Approximate Cost (Rs in lakhs) | Period of Completion |
|--|--------------------------------------|-------------------------|
| Construction of National Centre for Combustion R &D (NCCRD) at IIT Madras | 620 Lakhs | 12 months (Twelve) |

Contractors who full fill the following requirements shall be eligible to apply. Joint ventures are not accepted.

- 1. Experience in having successfully completed works as follows during the last 7 years ending last day of the month August 2012.
 - a. Three similar works each costing not less than Rs 248 Lakhs in which at least one work should be with Central Government / Central Autonomous Bodies / Central Public Sector Undertakings.

or

b. Two similar completed works each costing not less than Rs 372 Lakhs in which at least one work should be with Central Government / Central Autonomous Bodies / Central Public Sector Undertakings.

or

c. One similar completed work costing not less than Rs 496 Lakhs with Central Government / Central Autonomous Bodies / Central Public Sector Undertakings.

"Cost of work" for this clause shall mean completed cost as mentioned in the final bill including internal electrical works, if any, carried out under single contract including cost of materials, if any, supplied by clients. However the cost of materials issued free of cost shall not be considered for calculating the cost of work. Further, the value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum; calculated from the date of completion to last date of receipt of applications for bids. "Similar work" for this clause means RCC framed structure. Necessary documentary proof like completion certificates in

case of works carried out for Government department and TDS in case of works carried out for private parties should be enclosed in addition to the completion certificate.

- 2. Should have had an average annual financial turnover of Rs 186 lakhs on construction works during the last 3 years ending 31 3 2012. This should be certified by a chartered accountant.
- 3. Should not have incurred any loss in more than two years during the last five years ending 31 3 2012.
- 4. Should have a solvency of Rs 248 Lakhs for which the original solvency certificate issued by the bankers of the applicant should be enclosed.
- 5. Desirous contractors may download prescribed applications from the web site of IITM (http://tenders.iitm.ac.in). The Information and instructions for bidders posted on web site for the subject work shall form of bid document.
- 6. The Tenders should be accompanied by one crossed Demand Draft drawn in favour of <u>IITM</u> <u>Chennai-600 036</u> and payable at Chennai for an amount of <u>Rs 525/-</u> towards cost of PQ application. Tender Documents received without cost of PQ application shall be summarily rejected.
- 7.
 Completed Qualification documents and Tenders received in time will be opened after
 3.10

 P.M on
 06-11-2012 in the presence of applicants or their authorized representatives.
 3.10
- 8. For any clarification contact office of the Superintending Engineer at 3rd floor of Administrative building IIT Madras, Fax No 22578155, Ph 22578161 / 22578173.
 - 9.0 Submission of the PQ Application

The PQ application should be submitted in two envelopes as detailed below

9.1 Envelope – 1 - marked as – COST OF APPLICATION

This shall contain the following

a. One Demand Draft towards cost of PQ application.

9.2 Envelope – 2 – marked as – PRE-QUALIFICATION APPLICATION

This shall contain PQ application along with various details regarding experience, financial standing etc as detailed in the enclosed documents.

- 9.3 Both envelopes shall be placed in a third envelope and name of work, date of opening etc shall be written on the cover
- 10. Other details and the method of evaluating the capacity of the prospective contractors are detailed in the enclosed documents.
- 11. IIT Madras reserves the right to accept or reject any or all the tender offers without assigning any reason thereof.

SUPERINTENDING ENGINEER

SECTION – I

BRIEF PARTICULARS OF WORK

- 1. This section provides the salient details of work for which the contractors have to be qualified to take part in the tendering process.
- 2. The work has to be carried out in the IIT Madras campus, Chennai 600036.
- 3. General features of the work are as under;

(i) In general the work shall be carried out as per CPWD specifications followed as on date.

(ii) The quality of workmanship and materials should be of highest standard available in the country.

(iii) Strict quality control / quality assurance measures for materials and workmanship should be evolved and implemented

(iv) Adequate safety measures should be evolved and implemented.

(v) The measurements and bill should be prepared by contractor and submitted to the department by the contractor as per the detailed procedure of IIT Madras.

(vi) All the materials including Cement and Steel reinforcement have to be arranged by the contractor.

- 4. The contract shall be drawn as per General Conditions of Contract for CPWD works 2010 with corrections issued up to 30-09-2012 with due modifications to suite to IITM.
- 5. The applicant should furnish the complete details called for. Inadequate and incomplete details not as per the documents are liable to be rejected.

SECTION –II

INFORMATION AND INSTRUCTIONS TO APPLICANTS

1.0 **GENERAL**

1.1 The **"PQ Application"** (application to qualify) shall contain data and information to enable the Institute to draw up a list of agencies who can take part in the tender process. The financial bids will be issued only to those qualified in the pre-qualification process at a later date to be intimated by IIT Madras.

The following documents should be enclosed along with this PQ application;

- (i) Letter of transmittal in the enclosed format
- (ii) Solvency certificate from the bankers in the enclosed format
- (iii) Financial information in the form 'A' enclosed
- (iv) Details of similar works carried out in the past in form 'B' enclosed
- (v) Details of works in progress in form 'C' enclosed
- (vi) Performance report of work referred to in form 'B' and form 'C' in Form 'D' enclosed
- (vii) Details regarding the structure of the organization in form 'E' enclosed
- (viii) Details of technical and Administrative personal in form 'E1' enclosed
- (ix) Details of construction plant and equipment in form 'F' enclosed.
- 1.2 All information called for in the enclosed forms should be furnished against the respective columns in the forms. If information is furnished in a separate document, reference to the same should be given against respective columns. Such separate documents shall be chronologically placed at the end of the prescribed application. If information is 'nil' it should also be mentioned as 'nil' or 'no such case'. If any particulars/query is not applicable in case of the applicant, it should be stated as 'not applicable'. However, the applicants are cautioned that not giving complete information called for in the application forms required, not giving it in clear terms or making change in the prescribed forms or deliberately suppressing the information may result in the applicant being summarily disqualified. Applications made by Fax and those received late after the prescribed date and time will not be entertained.
- 1.3. The application should be type-written. The applicant should sign in each page of the application.
- 1.4. Overwriting should be avoided. Correction, if any, shall be made by neatly crossing out, initialing, dating and rewriting.
- 1.5. References, information and certificates from the respective clients certifying suitability, technical know-how or capability of the applicant should be signed by an officer not below the rank of Executive Engineer/ Project Manager or equivalent.

- 1.6 The applicant may furnish any additional information, which he thinks is necessary to establish his capabilities to successfully complete the envisaged work. However the applicants are also advised not to attach superfluous/ additional information beyond the requirements of the Bid. No information will be entertained after the PQ application is submitted, unless it is called for by the Institute.
- 1.7 Documents submitted in connection with the PQ application will be treated as confidential and will not be returned.

2.0 **DEFINITIONS:**

- 2.1. In these documents the following words and expressions have their meaning hereby assigned to them.
- 2.2. EMPLOYER means IIT Madras, Chennai -36 acting through the Superintending Engineering, Engineering Unit
- 2.3. APPLICANT means individuals, proprietary firms, firm in partnership, limited company private and public, Corporation

3.0 **METHOD OF APPLICATION:**

- 3.1 If an individual makes the application, it shall be signed by him above his full type-written name and current address.
- 3.2. If a proprietary firm makes the application, it shall be signed by the proprietor (with seal) above his full typewritten name & the full name of his firm with its current address.
- 3.3. If the application is made by a firm in partnership, it shall be signed (with seal) by all the partners of the firm above their full typewritten names and current addresses or alternatively by a partner holding power of attorney for the firm in which case a certified copy of the power of attorney shall accompany the application. A certified copy of the partnership deed along with current addresses of all the partners of the firm shall also accompany the application.
- 3.4. If a limited company or a corporation makes the application, it shall be signed by a duly authorized person holding power of attorney for signing the application, in which case a certified copy of the power of attorney shall accompany the application. Such limited company or corporation may be required to furnish satisfactory evidence of its existence. The applicant shall also furnish a copy of the Memorandum of Articles of association duly attested by a Public notary.

4.0 FINAL DECISION MAKING AUTHORITY

The employer reserves the right to accept or reject any application and to annul the qualification process / tender process and reject all applications at any time without assigning any reason or incurring any liability to the applicants

5.0 **PARTICULARS - PROVISIONAL**

The particulars of work given in section – I are provisional. These are liable to change and must be considered as advance information only to assist the applicant.

6.0 SITE VISIT

The applicant is advised to visit the site of work at his own cost and examine it and its surroundings and collect all information that he considers necessary for proper assessment of the prospective assignment.

7.0 CRITERIA FOR QUALIFYING AN APPLICANT TO TAKE PART IN THE TENDERING PROCESS

7.1 The applicants shall be evaluated for qualifying them to take part in the tendering process by a two stage system

7.2 STAGE - I - INITIAL CRITERIA

The applicant shall be evaluated initially considering the criteria prescribed in the Page 2 & 3 (Para 1 to 11 of Notice Inviting Pre-qualification application) of this document.

- 7.2.1 The applicant should own construction equipment as per list enclosed for proper and timely execution of the work. Else, he should certify that he would be able to manage the equipment by hiring / leasing etc and submit the list of firms from whom he proposes to hire / lease.
- 7.2.2 The applicant should have sufficient number of Technical and Administrative employees for the proper execution of the contract. The applicant should submit a list of these employees stating clearly how they would be involved in this work.
- 7.2.3 The applicant's performance in respect of completed works and ongoing works should be certified by an officer not below the rank of Executive Engineer or equivalent and should be obtained and delivered in sealed covers.
- 7.2.4 The applicant should associate an eligible Electrical Contractor for carrying out internal electrical works. The Electrical contractor should be either;

A contractor registered of class - I category in CPWD

or

A contractor who has carried out at least 3 works of internal electrical installations, in their own name, in multistoried office buildings (at least GF + One upper floor) in the last 5 years. (Reckoned up to 31 - 03 - 2012). Necessary documentary proof like completion certificates in case of works carried out for Government department and TDS in case of works carried out for private parties should be enclosed. Necessary documents from the proposed associate in the form of an affidavit agreeing to associate himself in the present work should be enclosed.

7.3. STAGE - II – EVALUATION BY SCORING

- 7.3.1 The applicants who qualify the initial criteria mentioned in Para 7.2.1 to 7.2.4 above will be further evaluated for the following criteria by scoring method based on the details submitted by them.
- 7.3.2 Only the applicants who qualify the initial criteria as above shall be evaluated further for the following criteria.

| (a) Financial Strength (Form "A")(b) Experience in similar nature of work | Maximum 20 Marks |
|--|------------------|
| during last Five Years. (Form "B") | Maximum 20 Marks |
| (c) Performance on works (Form "D") | Maximum 35 Marks |
| (d) Personnel and Establishment | |
| (Form "E"and"E-1") | Maximum 10 Marks |
| (e) Plant and Equipment | |
| (Form "F") | Maximum 15 Marks |
| | |
| Total | 100 Marks |

To qualify, the applicant must secure at least 50% (Fifty percent) marks mentioned in each one of the above criteria and 60% (Seventy percent) marks in aggregate. The Indian Institute of Technology Madras reserves the right to restrict the list of pre-qualified contractors to any number deemed suitable by it.

- 7.3.2 Even though an applicant may satisfy the above requirements, he would be liable to disqualification if he has:
 - (a) Made misleading or false representation or deliberately suppressed the information in the forms, statements and enclosures required in the PQ application and qualification document.
 - (b) Record of poor performance such as, abandoning work, not properly completing the contract, or financial failures/ weaknesses etc.

8.0 LETTER OF TRANSMITTAL

The applicant should submit the letter of transmittal attached with this document.

9.0 TENDER SUBMISSION AND DECISION

After the details submitted by the applicant regarding his financial capacity, previous experience etc are studied and evaluated, a list of agencies who can take part in the further tendering process shall be prepared and all concerned shall be intimated. The Financial bids will be issued only to those who have been qualified in this pre-qualification process. The short listed agencies will become eligible for taking part in the further tendering process.
