Dr. Arun Menon and Dr. Radhakrishna G. Pillai presented the proposed work on ‘pilot installation of sacrificial anode cathodic protection (SACP) system to control low-to-severe corrosion in reinforced-lime-concrete sunshades’. The potential bidders discussed and clarified the doubts towards the work. The vendors requested to facilitate a visit to the site in New Delhi on 26th June, 2018 and extend the last date for submission of tender. The Committee agreed to extend the date upto 6th July, 2018 for submitting the tender. The vendors are requested to download the minutes of pre-bid meeting from the e-Tender website.
