

**NATIONAL TECHNOLOGY CENTRE FOR PORTS, WATERWAYS AND COASTS (IIT Madras)**

**Tender no. OED/NTCPWC/BOAT SUPPLY/17**

**Name of the work:** Hiring of SURVEY Vessels with and without Equipment

Reply to queries of prospective bidders at Pre bid meeting on 09.12.2019

	<b>Reference clause</b>	<b>Bidder's clarification</b>	<b>Remarks of NTCPCWC</b>
<b>1</b>	<b>2.11 Prequalification criteria</b>	<p>The bidder can either own a boat or enter partnership with boat owners who will supply the boats. A copy of the boat registration certificate, sea sailing/going license and other relevant documents shall be enclosed with the Technical Bid. The bidder should have any one of the equipment mentioned In the section iii and the proof of the owner ship must be provided in the technical bid</p> <p>Question: Does this imply that owning a boat or scientific equipment will pre-qualify the bidder. Please clarify</p>	<p><b>Please refer item no.1 of amendment no.1</b></p>
<b>2</b>	<b>Special condition Point no. VI of technical specification – section III</b>	<p>Special condition Page 11-point (vi) Mobilisation and Demobilisation charges - 1000km from Chennai. This entirely cover from Vishakhapatnam to Goa.</p> <p>Question: Does this imply to the equipment and boat? We would request this to be 250km and to cover only the equipment. For the boat it should be the entire time from Chennai and back</p>	<p><b>Not acceptable. Tender conditions shall prevail</b></p>
<b>3</b>	<b>Special condition Para VI of technical specification – section III</b>	<p>We would like to know the port of operation envisaged as mobilisation of boat require time and resources</p>	<p><b>Tender condition is self-explanatory and same shall prevail</b></p>
<b>4</b>	<b>Special condition Point XI of technical specification – section III</b>	<p>Point XI) We assume that it is only for sea going vessel and not the inland boat. Please clarify</p>	<p><b>Please see item no.2 of amendment no.1</b></p>

5	<b>Special condition Point XVI of technical specification – section III</b>	(Point XVI)-additional support boats-In order to build the cost these additional boats we need to know number of days such support boats are required for us to bid accordingly.	<b>The tenderer has to assess the requirement and it is their responsibility to meet the tender condition in this regard.</b>
6	<b>Section II 2.2 Location</b>	Is the area of operation including Andaman & Nicobar & Lakshadweep Islands?	<b><i>It is in the mainland anywhere along the Indian coast.</i></b>
7	<b>Tender page 10 boat supply with equipment</b>	<b>Shallow water operation-you had requested for a sound velocity profiler for a depth of 30 meter the sound velocity will not change. Please clarify if a sound velocity will not change. Please clarify if a sound velocity probe will suffice which is integrated in our MBES</b>	Tender condition shall prevail.
8	<b>Bill of quantity</b>	We understand that in the BOQ SL.no.1-Boat service without equipment- we have to put only the date rate of the boat but in the SLno.2, boat service with equipment there is no place to input the boat cost. Kindly let us know where do we need to put the boat cost sl.no.2	<b><i>Please see item no.3 of amendment no.1</i></b>
9	<b>Bill of quantity</b>	In MBESSS there is a requirement of data processing engineers but the same not requirement of manpower mentioned in DFSBESBS, GPI, DM, etc; so we assume that there is no requirement of manpower in DFSBESBS, GPI,DM,etc; kindly confirm.kindly provide clarifications to the above queries at the earliest.	<b><i>Please see item no.4 of amendment no.1</i></b>

**Tender no. OED/NTCPWC/BOAT SUPPLY/17**

**Name of the work:** Hiring of SURVEY Vessels with and without Equipment

Amendment No.1 dated 09.12.2019

	<b>Reference clause</b>	<b>Existing clause</b>	<b>Amended clause</b>
<b>1</b>	<b>2.11 Prequalification criteria</b>	<p>The bidder can either own a boat or enter partnership with boat owners who will supply the boats. A copy of the boat registration certificate, sea sailing/going license and other relevant documents shall be enclosed with the Technical Bid. The bidder should have any one of the equipment mentioned In the section iii and the proof of the owner ship must be provided in the technical bid</p> <p>Question: Does this imply that owning a boat or scientific equipment will pre-qualify the bidder. Please clarify</p>	<p><b>The bidder shall either own the required number(s) required no. of boats shall produce an undertaking from the agency who ensures supply of required size and no. of boats without any demur. The bidder shall also produce a proof for either owning the equipment specified in the BOQ (or) their proposed tie up arrangement with the agency who undertakes the supply of equipment during course of entire contract.</b></p>
<b>2</b>	<b>Special condition Point XI of technical specification – section III</b>	<p>Point XI) We assume that it is only for sea going vessel and not the inland boat. Please clarify</p>	<p><i><b>The existing clause may be corrected and read as follows (A) Boats to be deployed in open sea condition &amp; outside the protected area. The boat/vessel should have automatic robotic mechanical capacity for lifting and lowering a minimum one ton weight equipment's, mooring, buoy, etc;</b></i></p> <p><i><b>(B) Boats to be deployed within the protected water there may not require lifting and lowering of the equipment</b></i></p>
